

Tallow Chandlers' Company

Applications to the Tallow Chandlers' Benevolent Fund

The current priority for the Benevolent Fund is to support young, disadvantaged people through **education and skills**, primarily in London to enable them to succeed in life.

The Fund does support some other charities with one-off donations. These are mostly small to medium sized charities operating in London. One-off donations range from around £250 to £2,000. Your application may merit consideration for a larger, three-year donation if it is closely related to our priority objective of supporting young people through education and skills, particularly in STEM areas.

If you would like to make an application to the Benevolent Fund, please provide the below information to the Education & Charity Manager (estelle@tallowchandlers.org):

- charity/organisation details – a brief description of what you do and who you help;
- details of the project/ activity for which funding is being sought and impact achieved/expected;
- the project budget;
- a link to the most recent Annual Report and Accounts or an e-copy if a link is not available;
- the level of donation being sought and how it would make a difference;
- any other relevant supporting information, if applicable.

Please note that as a rule, we do not accept applications from:

- large or national charities
- charities that do not have a connection to London
- individuals who appeal to us directly

Pre-Application Checklist

- Are you a registered charity, City institution or educational establishment?
- Are you based in or operating in London?
- Does your project or activity fall within one of our priority areas? (supporting young disadvantaged, education and skills)
- Does it address an identified need and/or support disadvantaged or vulnerable people?
- Is a small one-off donation going to have an impact?
